---

Although the Board of Directors will always endeavour not to increase tuition fees during a school year, it reserves the right to do so if circumstances require it. A reasonable increase in fees can be expected each year to provide for inflation and other costs beyond our control.

One term's written notice is required to be given to the School Principal and the administration office when withdrawing a student from the school and from Sayda Tutorial Institute, to avoid being liable for a full term's fees

Both parties who have signed the Admission form remain liable for the payment of all outstanding accounts unless other written agreements are lodged with the administration office. All payments received will be applied firstly to late payment charges, fees in lieu of notice, sundry charges and then outstanding tuition fees.
